TRUST ONLY GENUINE COONARA WOODHEATERS
Of course none of our success could be achieved without the support and dedication of our fantastic staff. We are a proud Australian manufacturer and we are proving that locally manufactured products can successfully compete with imported products. Your support is critical in helping keep the Australian manufacturing industry safe. We thank you for your continued support of Australian made Coonara Woodheaters. They really are an Aussie icon.

Yours sincerely

Eric Woodgate
Managing Director

WE HAVE BEEN PROUDLY MANUFACTURING IN AUSTRALIA FOR OVER 35 YEARS.

Woodheaters have been the key to our business growth since the mid 1980's. Over the years our manufacturing of Woodheaters has employed hundreds of locals and contributed significantly to the local community — this is something we are extremely proud of. The acquisition of the Coonara brand in 2001 was made possible due to our earlier success in our contract manufacturing of Woodheaters and we are really excited about the newly introduced technologies that deliver Coonara Woodheaters with high efficiency heating and low emissions. This is a major step in the right direction for our environment.
The new Coonara Radiant Heater is what our country has been waiting for. It is small in size, but it has the versatility and charm that you expect from an Aussie icon.

This Coonara Radiant is designed to heat an area of up to 15 squares* while the flames are simply breathtaking. This heater comes with an optional steel trivet for boiling water or cooking on.

Where tradition meets innovation.
- Australian made and owned
- Charcoal painted finish
- Heats up to 15 squares*
- Optional steel trivet
- No fan required
- 10 year firebox warranty

RADIANT FREESTANDING
The best things come in small packages.

This was the vision that fuelled the creation of the Coonara Compact freestanding woodheater – to create a compact heater that was ideal for use in smaller spaces in terms of size and aesthetic appeal, with the ability to provide comfort and warmth for living areas up to 10 squares.*

The Compact freestanding heater achieves these expectations and is the benchmark in the evolution of compact woodheaters.

Where tradition meets innovation.

- Australian made and owned
- Glass size 410mm wide 230mm high
- Optional 3 speed fan
- Standard Colour – charcoal
- Firebricks in the base of the box
- 10 year firebox warranty
MIDI FREESTANDING

Stunning looks and performance are trademarks of the Coonara Midi freestanding woodheater.

A stylish and distinctive mid range woodheater, the Midi freestanding heater heats up to 20 squares* and will become a design feature in your home.

Where tradition meets innovation.

- Australian made and owned
- Glass size 430mm wide 225mm high
- 3 speed fan included
- Standard Colour – charcoal
- Optional stainless steel pedestal and heater side panels with chrome door caps
- Firebrick lined box
- 10 year firebox warranty

HIGH EFFICIENCY

The Settler C500 Ranch is a recent addition to the Coonara range. A good size heater to heat up to 22 squares* with an added bonus of a storage area at the bottom to keep your wood handy and dry.

Where tradition meets innovation.
- Australian made and owned
- Glass size 433mm wide 312mm high
- 3 speed fan included
- Standard Colour – charcoal
- Side panels come plain or with trees
- Durable cast iron lined box
- 10 year firebox warranty
Lounge in comfort as the ultra smooth and quiet Coonara Medium freestanding woodheater efficiently warms up your home.

Small enough to fit beautifully into most homes with the power to heat up to 25 squares*

Where tradition meets innovation.
- Australian made and owned
- Glass size 430mm wide 225mm high
- 3 speed fan included
- Standard Colour – charcoal
- Optional stainless steel pedestal, heater side panels with chrome door caps
- Firebrick lined box
- 10 year firebox warranty
Created for the King and Queen’s castle. A big Bay Window heater for big homes.

Indulge yourself with the biggest woodheater in your street, perhaps state.

One of the rewards of having a large home is the ability to enjoy your home in sheer comfort. Indulge yourself in the special ambience that is created by the Coonara Firelite. Heating up to 32 squares*. You may choose to move to the next room and the Coonara Firelite will still keep you warm.

Where tradition meets innovation.
- Australian made and owned
- Glass size 570mm wide 310mm high
- 3 speed fan included
- Standard Colour – charcoal
- Durable cast iron lined box
- 10 year firebox warranty
The Settler C600 makes Woodheating easy. It has all the character and warmth you would expect from this Aussie Icon. You can simply sit back and relax watching the flames flickering before you. With a self cleaning viewing window, durable cast iron lined box and a 3 speed fan, it can comfortably heat up to 30 squares* of open plan living.

Where tradition meets innovation.
- Australian made and owned
- Glass size 562mm wide 312mm high
- 3 speed fan included
- Standard Colour – charcoal
- Side panels come plain or with trees
- Optional base
- Durable cast iron lined box
- 10 year firebox warranty

The new Settler 600 Ranch is a recent addition into the Coonara family. This heater will not only heat up to 30 squares* of open plan living, but will add style and appeal to any household. You have the added bonus of storing your wood underneath, means you don’t have to venture outside on those cold & chilly nights.

Where tradition meets innovation.
- Australian made and owned
- Glass size 562mm wide 312mm high
- 3 speed fan included
- Standard Colour – charcoal
- Side panels come plain or with trees
- Durable cast iron lined box
- 10 year firebox warranty
The stunning Compact Inbuilt combines elegant design with space efficiency and outstanding warmth. A compact woodheater that is ideal for use in smaller spaces, it looks aesthetically appealing in both contemporary and traditional homes and has the ability to heat up to 10 squares*.

Where tradition meets innovation.
- Australian made and owned
- Glass size 410mm wide 230mm high
- 3 speed fan included
- Standard Colour – charcoal
- Firebricks in the base of the box
- 10 year firebox warranty

COMPACT INBUILT
The Settler I500 is a stylish heater that heats up to 22 squares* and will enhance any fireplace. With a large self-cleaning viewing window, cast iron liners and 3 speed fan, it will provide optimum warmth.

Where tradition meets innovation.
- Australian made and owned
- Glass size 433mm wide 312mm high
- 3 speed fan included
- Standard Colour – charcoal
- Durable cast iron lined box
- 10 year firebox warranty

SETTLER
I500
The Settler I600 is a finely crafted woodheater that will heat up to 28 squares* and will add elegance to your fireplace. With a large self-cleaning viewing window, cast iron liners and 3 speed fan, it will provide optimum warmth.

Where tradition meets innovation.
- Australian made and owned
- Glass size 562mm wide 312mm high
- 3 speed fan included
- Standard Colour – charcoal
- Durable cast iron lined box
- 10 year firebox warranty
WHERE TRADITION MEETS INNOVATION
All Coonara woodheaters enjoy the following features:
• 10 year firebox warranty*
• Patented folded steel firebox
• Full width firebox opening for largest viewing area
• 5mm thick neo ceramic self cleaning glass
• Low clearance to combustible materials for minimum floor space loss
• 3 speed fan on fan assisted models
• One touch easy, effective temperature control

TESTED AND APPROVED TO:
AS2918 – clearances to combustible materials
AS4012 – power output and efficiency
AS4013 – flue gas emissions

FUEL REQUIREMENTS
For maximum performance, seasoned, dry hardwood is required. Do not use chemically treated or painted timber.

COONARA WARRANTY
All current model Coonara woodheaters are warranted to be free from defects on material and workmanship under normal use and service. The warranty of the actual firebox, excluding baffles and liners is 10 years to the initial purchaser. All other components (except accidental breakage of door glass) are warranted for a period of 12 months. For the full warranty statement refer to the relevant Installation Manual available on our website www.coonara.com.au, or from your Coonara dealer.

Shamic goods come with guarantees that cannot be excluded under Australian Consumer Law. The purchaser is entitled to a replacement or a refund for a major failure and compensation for any reasonably foreseeable loss or damage. The purchaser is also entitled to have the goods repaired or replaced if the goods fail to be of acceptable quality and the failure does not amount to a major failure.

NO FIREPLACE NECESSARY
COONARA SETTLER ZERO CLEARANCE BOX
You can install a Settler woodheater without the need of a conventional brick fireplace and chimney.
The Z Box allows you to install inbuilt woodheaters directly onto a combustible floor using 18mm villaboard.
Detailed installation instructions, with clearances to combustible materials, are available from your Coonara dealer.

* Rear clearance to be fitted with flue shield between the active flue and decommesh casing.

* IMPORTANT: Heating areas provided are based on open plan living areas and 2.4 metre ceiling height. Note: Lack of insulation, large window areas and cathedral ceilings reduce heating effectiveness.
